NOTES AND PRECIS.

S.N. 1. Letter No. 1575/30, dated the 31st August, 1931, from the Residency Surgeon, Bangalore.

The Residency Surgeon, Bangalore, made a provision of Rs. 72,000/- in the Assigned Tract budget for 1931-32 under the head "Account III-Medical and Public Health-A.4-Cost of Medicine and Diet of Patients". But the ----- Government of India sanctioned only Rs. 63,000/-. The Residency Surgeon allotted this sum as follows:-

	Rs.
(1) Cost of Medicine and Instruments.	23,000/-
(2) Diet of Patients	40,000/-
	63,000

The following table shows the actual expenditure under the above heads during the past three years:-

	1928-29 Rs.	1929-30 Rs.	1930-31. Rs.
(1) Cost of Medicine and Instruments.	21,232	21,899	22,357
(2) Diet of Patients.	48,695	48,405	53,607
	69,927	70,304	75,964

The Residency Surgeon states that under item (2) "Diet of Patients" the expenditure for 5 months is Rs. 23,657 and that it is likely to exceed the sanctioned allotment.

Out of the allotment of Rs. 12,000/- reserved under "Account III-Medical-A.5-Works", a sum of Rs. 4,170/- was reappropriated on account of the payment of a grant-in-aid to the Zenana Mission Tuberculosis Hospital. It is also proposed to spend Rs. 3427/- for constructing roads, culverts etc., in the old Isolation Hospital. There is still a balance of Rs. 4403/. The Residency Surgeon anticipates savings to the extent of Rs. 3,000/- under "Linen and Furniture grants". Savings to the extent of Rs. 3,120/- are also anticipated under " Pay of ------- Establishment" and "Allowance, Honoraria etc", as the post of Matron (Pay Rs. 200 plus Ration Allowance Rs. 45/- plus Uniform and Washing Allowance Rs. 15/-) has not yet been filled up.

If approved this may be explained to the Residency Surgeon and he may be informed that any excess under "Cost of Medicine and Diet of Patients" should be met from savings in the "Medical Budget", as the Government of India are not likely to sanction any additional grant ---- during the current year.

In view of the existing financial stringency, the Residency Surgeon may, if approved, be asked to curtail the numbers of entries into the hospitals accepting only ------ serious cases and confinement cases, if the expenditure is likely to exceed Rs 73,500.

Draft letter to the Residency Surgeon is submitted for consideration.

The Secretary. I will do my utmost to keep within the Grant as it will stand with the sums indicated as possible additions in the note of the Residents' Office.
I have, however, thought it wise to issue a Confidential order (on 9.9.31) to my Assistants, asking them to exercise great care in admitting certain classes of persons who may not absolutely require admission, & can be treated in their homes, or as Out patients at the Dispensary.

Sir,

1. In continuation of my letter No.1480/30, dated the 18th.August 1931, I have the honour to inform you that it appears that a sum of Rs 4,170/- has been given to the Church of England Zenana Mission Hospital as a grant towards the upkeep of that hospital. If my presumption is correct that this sum is a part of Rs 12,000/- stated in your letter No.3727/214-1929 of 25th.May 1931 ~~xxxx~~ to have been reserved for other purposes, I request that the balance of this Rs 12,000/- at least be reserved for diets of these hospitals. The hospitals referred to are:-

Bowring & Lady Curzon Hospitals

Hajee Sir Ismail Sait's Gosha Hospital

Isolation Hospital.

2. Out of Rs 63,000/- allotted for the cost of medicines and diet for 1931-32, I have allocated Rs 23,000/- for medicines and Rs 40,000/- for diets; of the latter sum Rs 23,657/- has been spent for five months, that is for March, April, May, June and July 1931. The balance Rs 16,343/- plus whatever amount can be spared out of Rs 12,000/- will be insufficient to meet the cost of diets for the remaining seven months, as

we

we generally average an expenditure of Rs 4,500/- per mensem for diets only in the 3 hospitals.

3. I am economizing over the Linen grant as well as the Furniture grant, and it is possible that savings to the amount of Rs 3000/- may be available from these two grants. The utmost economy in purchase of drugs and in prescribing of diets is being inculcated.

4. It may be mentioned that in 1930-31 our grant for diets was as Rs 48,000/- which was exceeded by Rs 5000/- and for the current year 1931-32 our diet allowance has been curtailed, and is Rs 40,000/- with a larger number of patients. If, therefore, we cannot hope for a sum of at least Rs 10,000/- to enable us to cope with the normal number of entries into the three hospitals, I shall require to request the Hon'ble the Resident to give me the order to largely curtail the number of entries into these hospitals, accepting only serious cases and confinement cases, and referring to other hospitals, cases of less serious nature. I may say that the result of such an order would probably reflect upon this hospital, and unless conditions make it absolutely necessary, I should not care to myself accept the responsibility of recommending these measures.

Subject:- Cost of Medicine and Diet of Patients.

Sir,

With reference to your letter ----- No. 1575/30, dated the 31st August, 1931, I am directed to inform you that out of the allotment of Rs. 12,000/- reserved under "Account III-Medical and Public Health-A.5-Works", a sum of Rs. 4,170/- was reappropriated on account of the ----- payment of a grant-in-aid to the Zenana Mission Tuberculosis Hospital. It is also proposed to spend Rs. 3,427/- out of the above allotment for constructing roads, culverts etc in the old Isolation ------ Hospital. The balance viz. Rs. 4,403/- has been reserved to meet the excess ---- expenditure under the head "Cost of ----- Medicine and Diet of Patients". Savings to the extent of Rs. 6,120/- are also anticipated under the marginally noted heads. The total savings thus --------- anticipated in the Medical budget amounts to Rs. 10,523 or Rs. 10,500/- in round figures.

2. I am therefore to request that any

To

The Secretary

to the Resident in Mysore, Bangalore.

Sir,

With reference to your Circular letter No.6762, dated the 17th.September 1931, I have the honour to inform you that out of the proposed Budget allotment for 1932-33 the following alterations may be made in view of the financial stringency:-

Heads	Proposed for 1932-33	Amount can be reduced	Actual required	Remarks
Diet & Medicine	-	-	-	
Bedding & Clothing	8300	2300	6000	
Furniture	4000	2000	2000	
	12000	4300	8000	

In this connexion I desire to point out that the anticipated receipts from patients for Diet and Nursing etc. for the year 1932-33 is Rs 17,000/- from which a sum of Rs 2500/- is required to pay the percentage to the Medical Officers for operations and confinements leaving a balance of Rs 14500/-. If this sum is deducted from Rs 49,000/- being the amount provided for diet alone, the Government is spending only Rs 34000/- actually on diet of patients.

A reference to the Boag Report of 1925 will show that it was not considered possible to save on any item of hospital expenditure in the Civil & Military Station, except possibly on diet.

Since that Report and for the last few years the diet cost has been considerably reduced, and now

stands

stands at what the Residency Surgeon considers is the lowest reasonable cost.

SIR,

With reference to your No.6762, dated 17.9.1931, I have the honour to state that the budget estimate proposed by me for 1932-33 - (including the fresh charges) amounts to Rs. 3,89,720, against - Rs. 4,53,200, the sanctioned estimate for the current year. This means a reduction of 14.007 % . If it is considered that a further reduction up to 25% is necessary, I propose that the following items be reduced by the amounts shown. They have been arranged in the inverse order of importance.

Items of expenditure.	Original Amn proposed.	Reduced provision now proposed.	Difference.	Remarks.
Account II-Education.				
1. B. Secondary. Grants-in-aid to Non-Government Secondary Schools. --- ---	1,27,500	1,24,900	2,600	(a) This can be saved as the Correspondent Clarence school intends running the school as a Primary one from January 1932. This saving is certain; hence I have put it as No.1 on the list.
2.D. Grants-in-Aid to non-Government Primary Schools- Building and Furniture grants. ---	17,330	1,000	16,330

3.B.Secondary. Grants-in-Aid to non-Government Secondary Schools. Building and Furniture grants.	36,400	5,500	30,900	
		Saving.	49,830	

With these modifications the Budget estimate for 1932-33 would amount to Rs. 3,39, 900/- which represents a reduction of 25% on the 1931-32 Budget estimate.

No. 4032
File No. 2[illegible]/31

SIR,

Reference:- Your Memorandum No. 6762 dated the 17th September 1931 and No. 6783 of the same date.

I have the honour to make the following suggestions which would bring about :

(a) a definite 10% cut in the budget submitted with my No. 1169 dated 2-9-1931 for the year 1932-33 and

(b) a definite 25% cut in the budget -Do-

17/11
429/31

(a) Civil & Military Station Police.

A. 1 - Pay of Officers - Rs. 16,200.

Mr. Boag in his report on the Finances of the Assigned Tract dated 12th June 1925 recommended on financial grounds the employment of a more junior Officer as Commissioner of Police.

For the purposes of this suggestion I mention that an Officer of the Indian Police with 18 years' service draws a pay of Rs. 1,050. The employment of such an Officer would effect a saving of Rs. 3,600.

A. 2 - Police Force - Pay - Rs. 1,86,270.

I suggest the following possible reductions under this head.

Prosecuting Inspector: - Pay Rs. 3,360.

He could be replaced by a Sub Inspector who would do the prosecuting work. This Sub Inspector will be found from the existing strength.

Stores Sub Inspector; - Pay Rs. 1,380 (average pay of a Sub Inspector). The Stores will be managed by the Reserve Sergeant assisted by a Head Constable of the Reserve strength.

One Head Constable of the Intelligence Department and one Head Constable from the Crime Branch will be retrenched. Pay of 2 Head Constables (average) Rs . 912/-.

Total Savings under A.2 ... Rs. 5,652--0-0

A.3 - Office Establishment. - Rs. 12,088.

By dispensing with the services of two clerks there would be a saving of Rs. 1,260 (average pay of two clerks).

A. 4 - Allowances , Honoraria etc. - Rs. 19,653.

Savings of allowances etc., of Officers retrenched under A. 2:-

Prosecuting Inspector	-	Conveyance allowance	Rs. 120/-
" "		House Rent	" 480/- (occupies a free house which will be available for occupation of the Hackney Carriage Sergeant now drawing Rs. 40/- house rent per mensem).
Stores Sub Inspector	-	Conveyance allowance	Rs. 210/-
" "		House Rent	" 200/-
Two Head Constables	-	House Rent	" 144/-
" " "		I. D. allowance	" 84/-
" " "		Crime Branch allowance	60/-
			1298

By cutting Rs. 5/- from the conveyance allowance of the fourteen Sub Inspectors and three Sergeants remaining in the Civil & Military Station a saving of Rs. 1,020 would be effected.

Total savings under A. 4 ... Rs. 2,318--0-0

A. 5 - Works.

The 1931-32 budget amount under this head was Rs. 17,100; the figure for 1932-33 is not yet communicated.

Allowing only Rs. 5,000/- for next year's budget, which should be sufficient to preserve the buildings but will not admit of any new construction or extensive alterations, a saving of Rs. 12,100/- will be made. Saving under A.5. Rs.12,100/-

A. 6 - Clothing - Rs. 24,170/-

A ten per cent cut may be effected under this head i.e., Rs. 2,400/-. Saving under A.6 .. " 2,400/-

A. 7 - Contingencies Rs. 16,862/-

B. 1 - Pay of Officers - Rs. 1,200/-.

At some loss of efficiency the Police Station at Bowringpet could be converted into a Police Out Post attached to Bangalore City saving one Sub Inspector and four Constables - Rs. 2,580/-

One Head Constable writer of the Railway Inspector might be retrenched, a Constable writer being found from existing strength - saving Rs. 456/-.

The total budget figure for 1932-33 is Rs. 3,39,185.

The suggested savings total " -32,256 nearly ten per cent cut.

(b) To show a cut of 25% or anything approaching this figure involves reductions of staff etc., beyond the danger point. However the following suggestions are made:-

A. 1 - Pay of Officers - Rs. 16,200/-

An Officer of about 10 years' service in the Indian Police draws Rs. 800/- a saving of Rs. 6,600/- if such an Officer were appointed as Commissioner of Police.

Total under A.7	... ...	"	2,430

A. 8 - Inviolable.

RAILWAY POLICE.

A possible saving of Rs. 4,326/- is shown when dealing with the 10% cut above. This small force of 1 Inspector, 1 Sergeant, 3 Sub Inspectors, 9 Head Constables and 100 Constables polices 330 miles of Railway Line. It would be a dangerous proceeding but all I can suggest is a further 25% all round reduction of staff i.e., a reduction by 1 Sergeant, 2 Head Constables and 25 Constables - a saving of about ... ... Rs. 10,572/-.

This 25% reduction in Staff would bring about a proportionate reduction of "other charges - (B.3)"- Rs. 4,000/-

In this connection I would invite attention to paragraph 8 page XVIII of Mr. Boag's report already referred to, I also

understand that the Railways are likely to be handed over to the Mysore Government within a few years.

Omitting the Railway Police the cuts suggested amount to a total of ... ... Rs. 55,898/-

To bring about a 25% cut a saving of " 68,500/- has to be effected.

The cost of the Traffic Police in the Civil and Military Station is Rs. 21,700/- and as mentioned by Mr. Boag in paragraph 7 page XVII of his report it would appear that this is a legitimate charge on the finances of the Municipal Commission. Mr. Boag does not go into the figures but I would point out that last year the Municipality collected through the Police a revenue from Hackney Carriages and Motor Vehicles, under licence fees, fines, etc., of Rs. 28,400/- and paid about Rs. 11812/- only towards the Hackney Carriage and Motor Vehicles establishment. The Municipality levies a separate vehicle tax on carriages and Motor Vehicles which presumably goes to the up keep of roads. It would therefore appear reasonable that at least half the cost of the Traffic Police should be borne by the Municipal Commission, thus reducing the cost to Government of the Police by a further Rs. 11,000/-.

I have the honour to be,

Sir,

Your most obedient servant,

COMMISSIONER OF POLICE.
